From reading your book what do you know about this character's interests? What do they do in their free time? What are their hobbies? What sports or other activities are they involved with?

Write a brief biography of this character. What do you know about their life? What are they currently doing with their life? This would be a good place to write a simple summary of what this character did in the book you read.

PLEASE REMEMBER:

1. Write from your character's point of view. You ARE your character for this assignment.
2. Replace anything written by me with your own writing.
3. Be creative and have fun!
